

# Massachusetts Marine Trades Association

## About Us

The purpose for the formulation of the Massachusetts Marine Trades Association is to establish an organization of dedicated men and women who are employed in the marine industry with the concept that this organization will provide the framework for furthering the interests of the marine trades and the boating public through the promotion of boating, participation in legislation, and professional improvement programs.

...provide the framework  
for furthering the  
interests of the  
marine trades and  
the boating public...
